### Officers Serving the Congregation:

Financial Secretary: Janet Hula      Treasurer: Ralph Fitle

The regular meeting of the Council was held on April 9th. The Council members shared their prayer concerns: We pray for the healing of those close to us; Ken Hilmer and Bob Moss with their continued struggles, Julie Lentz as she continues her cancer treatments, Jackson & all of Amanda Vazquez's family as they prepare for his surgery on 4/18. We pray for peace & stabilization in areas of unrest, and for resolution in North Korea. We pray for Rebecca Fitle and her family, as she prepares for her preventative surgery on May 9. We pray for Nikki and Justin in Missouri with the birth and ongoing care of their daughter Becca Rose. We pray for the Omaha Police Department & Chief Schmaderer surrounding recent events.

Pastor led devotions from Psalm 28:8 and Colossians 2:7. The first focuses on reassurance. The peace and love that a parent figure provides during difficult times. The second focuses on encouragement. Be thankful and grateful!

Visions for Ministry: The Council began reading "Can Our Church Live?" by Alice Mann. We discussed Chapter one. Maybe having structure & plans isn't necessarily a bad thing, but how do we use it to our advantage? Are we declining as a church? Do we understand it? Do we meet the needs of the people that we serve? Are we redeveloping? When we focus on us, the outlook might be scary. If we focus on God, from beginning to end, the outlook can only be positive. Please read Chapter 2 for our next meeting.

Reports were received from the Financial Secretary and the Treasurer. Please continue to give generously.

Christian Education: David Hufford volunteered to help organize Vacation Bible School for this summer. The date for VBS will be July 14-18.

Evangelism/Outreach: Matt Kong continues to work on the KAW program for this summer. The Omaha Together One Community Event and Fund Raiser will be held at Hot Shops on April 27.

Finance: Our attorney sent a demand for payment to Church Mutual, which was denied. It will now go to court. Pastor is looking closely at all individual investments of the Disney Endowment, to be sure that we are utilizing socially responsible funds.

Property: Will be needing mowers and yard maintenance for this upcoming season. Please feel free to offer some of your time! Pastor has purchased a Daily Deal for 50% off of mulch to replenish those areas.

Service/Social Ministry: Neighborhood cleanup is this Saturday April 13 from 9-2. Thursday evening, April 11 we will host a potluck dinner to meet the recipients of the Habitat build. The build begins Friday, April 19.

*Continued.....*

Support/Stewardship: Financial statements will be distributed the week of April 14.

Worship: On May 30 & 31, there will be a Music & Worship conference preceding the Synod Assembly.

Unfinished Business: Synod Assembly – David will attend 5/30 – 6/1 in Kearney. The focus is “Mission Possible.”

New Business: No new report.

Announcements: May 19 begins Pentecost! Andrea Spahr will be confirmed. September – April will be our 125<sup>th</sup> Anniversary – any thoughts? Janet will bring treats for our May meeting.

**Monday, May 6: Candidates' Accountability Session** at St Pius X Catholic Church (6905 Blondo) at 7:00 p.m. Hear whether the final two candidates for Mayor and several City Council district will commit to work with OTOC on several issues which OTOC leaders are developing through individual meetings and small group meetings.

**Sunday, May 19th**  
**Wear Red or Orange in**  
**Celebration of Pentecost!**

*"If you believe in Jesus and are baptized, then you're a part of that called-together group, something much bigger than you are. Being a part of it means you have the Holy Spirit at work in you. And, that means you have tasks that the Lord wants you to do, and you have been given what it takes to do them. You are to listen for the Spirit's leading, through the Scriptures God gave for you."*

*Robert Longman Jr.*

Where to begin? In the past month, we have celebrated Easter, witnessed the election of a new Pope, watched in horror a bombing in Boston, experienced weather that went from 60+ degrees to snow and hail, participated in a primary election that had a few surprises, observed the US Senate unable to pass legislation requiring background checks for all gun purchases, and learned of proposed immigration legislation that may address some of the hardships and barriers individuals and families face in becoming citizens, to name just a few. In addition, we continue to see the impact of food insecurity, hunger, on individuals and families.

If this isn't enough the list could include many more things from the political, economic and local scenes. It is easy then to see how it is possible to cry out with the words of Jesus on the cross, "My God, My God, why. . .?"

Years ago, I was introduced to Bread for the World. This is a citizens organization that intentionally advocates for political and economic solutions to our world hunger issues. Each year they encourage us to become engaged in writing to our elected national leaders, Senators, Congress people and the President on behalf of people living with hunger insecurity.

This year the focus uses the theme "A Place at the Table." Let me share with you a few sentences from the latest Background Paper. "The table is a natural and powerful symbol of community.

"Whether eating meals, playing games, or discussing the household budget, families regularly gather at the table... Jesus met with his disciples around tables to share his teachings and fellowship. He gathered his closest disciples to the table for a last supper to gather strength and provide guidance before his fateful journey to Calvary." On Sunday, April 14, we heard from John's gospel, Jesus gathering the disciples around a breakfast fire on the shore of Lake Galilee.

God's table is abundant for all people. We hear regularly of the abundance that God provides. The difficulty we face is the adequate distribution of God's abundance. Can we find both the will and the way to accomplish a fair distribution?

I invite you to write to Congress to ensure a place at the table for hungry and poor people by protecting programs vital to them. Our letters are encouraged to focus on three issues:

- Protecting anti-hunger and anti-poverty programs like Supplemental Nutrition Assistance Program (SNAP, formerly food stamps), the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC), and poverty-focused development assistance (PRDA).

- Making permanent the current tax credits for poor families: the Earned Income Tax Credit (EITC) and the Child Tax Credit (CTC).

- Raising adequate revenue to end hunger.

I hope you will consider writing to your Senators and Congress people on the behalf of others. This is a marvelous way for us be Christ for others.

You can check out further information on the web at [www.bread.org](http://www.bread.org).

*Confirmation  
Sunday*

Andrea was baptized on Sunday, February 28, 1999. She began her relationship within God's grace at that time. Throughout the years, she has developed and deepened a life of discipleship in preparation for this day. She has lived among God's faithful people, she has participated in listening to the Word of God and shared in the holy supper, she has learned the Lord's Prayer, the Creed, and the Ten Commandments, she has read the stories of holy scripture, she has

demonstrated faith and trust in God, she has exhibited care for others and the world God has made. In this service of Confirmation she will affirm the baptismal promises made for her, claim them as her own and seek to continue growing as a person of faith in Jesus Christ. Come, celebrate with her, her family, her sponsors and the people of God.

Traditional decorations showcasing the family's Sudanese culture will grace David Mushwas and Mariam Yunis' home soon after they move in, keeping their heritage alive for their four children; Ryada, Selama, Para, and Uriya.

They came to Omaha from the Blue Nile region of the Sudan six years ago and have been living for the past three years in a small, older home with heating problems and windows that don't close, meaning they had to worry about safety and the cold. They wanted better security and more space for their family, so when they heard about Habitat for Humanity of Omaha from some friends who had recently become Habitat Omaha homeowners, they applied and were accepted into the program in April 2012.

Neighbors South Habitat Coalition began its 15th house on April 19th. Together, we can empower families and fight to end poverty housing in our community. If you would like to volunteer part of your Fridays or Saturdays during this summer and help fulfill a dream of being homeowners for a family, you can sign up to volunteer for the build at: [neighbors-south.com/ns/volunteer](http://neighbors-south.com/ns/volunteer).

Hello all!

The weather sure took a turn! Living in the bubble of Southern California, I now see that April showers do exist. Hopefully the weather does not deter the kids and I from a visit to Hanscom Park. Worst case, we'll be having an intense day of dodge ball!

Kids At Work is almost here and I'm in need of drivers. As many of you already know, these drivers will be chaperoning 4-5 of the children at different worksites from 10 am to 12 pm on Tuesdays and Wednesdays during the summer. This year the program will be working with Together, Inc., the Kountze community garden, Precious Memories Childcare, the Lutheran Home, Disciples Church, and Hospice House. If you have any questions my contact information can be found in the Kids at Work announcement blurb in the weekly bulletin.

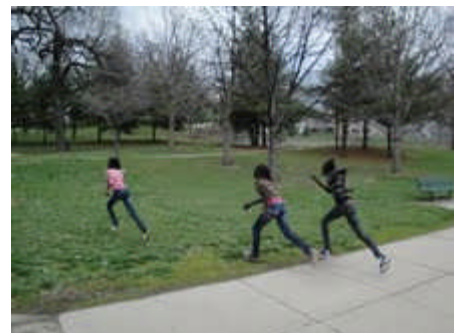

As I mentioned last month, I've been spending Saturday mornings helping one of our Sudanese congregation members prepare for his citizenship exam. My two citizenship questions for you this month are: How long do we elect a senator for? Why do some states have more representatives than others?

Cheers!

Matt

Sudanese Youth Group spending recreation time at Hanscom Park on Sunday, April 21, 2013. Boys enjoyed playing a basketball game and the girls got creative around the pond. Both groups had plenty opportunity for discussion time.

Families in Action and Delta Delta Delta Host Community Fundrasier

Creighton University, our amazing student volunteers and interns from Tri-Delta, and our Families in Action participants and staff took part in a Zumbathon Fundraiser on Creighton's campus last week. This was our 4th community-wide fundraiser, and all proceeds will benefit Families in Action.

Even though the weather was colder for April, over 120 people attended the evenings festivities, which included routines led by our instructors, teenage participants, and students. This was our largest event ever as evidenced by the attached photo!

We deeply appreciate the support of Tri Delta in helping us plan and host this event. Jackie Voight from Tri-Delta worked diligently to plan with us for months to ensure that the evening would run smoothly with parking, sound equipment, alternate space and event details. Due to our success and number of people attending, we hope to schedule an additional fundraiser in September!

### God's kids say the funniest things

A Sunday school teacher asked her class, "If I sold my house and my car, had a big garage sale and gave all my money to the church, would I get into heaven?" "No!" the children all answered. "If I cleaned the church every day, mowed the yard and kept everything neat and tidy, would I get into heaven?" Again, the answer was "No!"

"Well, then how can I get to heaven?" she asked. In the back of the room, a five year- old boy shouted, "You gotta be dead!"
