2014 Council Members

Vicki Cox	Janet Hula
Andrew Edwards	Eva Martin
Sarah Emery	Loren Moyer
Arlone Farber	Charles Tuw
June Hilmer	Pastor Laaker

Officers Serving the Congregation:
Financial: Janet Hula Treasurer: Ralph Fittle

The regular meeting of the Council was held on September 10th. The Council members remembered the following in prayer: Ken Hilmer, for Sarah’s Mother in Law, Roseanne Emery, for Norma Courtney and for Teresa Courtney as their health battles continue. We remember Vicki as she goes through therapy to heal her voice, and for her friend Uma as she undergoes cancer therapy. We pray for June’s son-in-law Mike Leonard with the loss of his brother, and for Gema while she struggles with the nerve issues behind her ear.

Devotions were shared from Isaiah 43:1 and Luke 10:20. The first gives us reassurance! Come back home, you belong! An encouragement / Renewal of Life! The second, that we ought to remember the significance of the claim that we are held in Heaven by the Father.

Visions for Ministry: The Council continues reading “The Future Starts Now.” We talked about Chapter 6; A New Way of Doing. The authors encouraged the use / expand the talents that people already own. Take the time to get to know people. What motivates people, what is their passion? No set plan?! How do you minister without one? Slight adjustments to the flow may make huge alterations. Allow patterns to influence us,...or get stuck in the same pattern? Council will read the Afterword and consider the questions for our next meeting.

Reports were received from the Financial Secretary and the Treasurer. Please continue to give generously.

Christian Education: Lori V. intends to start thinking about a Sunday School class with children.

Evangelism/Outreach: We are enjoying getting to know Malachai! He is getting out in the community, working with ESL, Interfaith, etc.

Finance: Motion made to ratify the recommendations from the Disney Endowment Fund.

Property: Kitchen floors & front step materials are in and will be installed soon. We will also be making a change from Century Link to Cox for our internet service.

Service/Social Ministry: OTOC Training and weekly gatherings at Urban Abbey. See postings on the bulletin board. God’s Work Our Hands – 17 volunteers participated in the neighborhood cleanup. Looking forward to the picnic! October 3, there will be a fundraiser for the one & only hospital that treats Palestinians in east Jerusalem.

Support/Stewardship: 5 videos & teaching moments, to begin in November.

Worship: Thanksgiving Eve service, invitation to worship with First Lutheran. Christmas Eve – considering a joint service at St Lukes!

Unfinished Business: No new report.

New Business: No new report.

Announcements: Pastor will be out all next week to visit with extended family in Cincinnati. Theological Conference with Malachai in Kearney, third week of October. Arlone will bring treats for our October meeting. Meeting was adjourned at 9:14 p.m.

Welcome to the Living Generously journey!

Beginning the first Sunday in November we will see a family take risks, experience suffering, doubt and joy. Moreover, we will see what happens when this family chooses to embrace a generous life in the midst of uncertainty. And like them, we will be invited into a transformational process.

Living Generously is our Stewardship Emphasis for 2014/15.

Continued...

The Council and I have been reading the book "The Future Starts Now." In the last chapter, "A New Way of Doing," the authors begin by saying "Jesus has taught the principles of living and working together in a renewable way: Be who you are and see what you have for the sake of doing what matters to God." The challenge we have is doing what matters not just doing something, anything.

I think that we did something that matters as we walked the neighborhood on Sunday, September 7. Our effort for "God's Work. Our Hands." exhibited care for the environment as we picked up trash that accumulates along the streets of our immediate neighborhood. We also extended an open invitation to our neighbors to come and enjoy a meal together as the body of Christ.

The authors later in the chapter state, "You will be way more fruitful if, instead of spending time developing detailed plans, you figure out a way to get people on the ground working together to do what matters." I see this play out in many different ways. A person or a group gathers to plan an event but instead of meeting sixteen times before doing something, they meet once and assign people to do this or that and in the doing the event quickly takes on ownership and action.

The authors suggest a model for action called the 4-D Cycle. The steps in the cycle are Discover, Decide, Do, Debrief. This is not a linear action but a loop model. This means that sometimes it may be as above or it may be Decide, Discover, Do, Debrief or some other order. They go so far as to suggest that this model may be best considered a dance step that as one does it time and time again a rhythm develops and action becomes a fluid motion.

I believe we are making strides toward this fluid motion. I think we still have some places where we struggle to get the steps to flow in motion. I am not discouraged. I think God is leading us toward the ministry that God wants to see happen here.

I am delighted that we are talking together about what God is doing. I am glad to hear us raise the question, "What do I hear God calling us to do?" and "What is God already doing here?"

I like what the authors say at the end of the chapter. "Life demands that you participate with things as they unfold, to expect to be surprised, to honor the mystery of it, and to see what emerges." This is a process and where it leads is yet unknown but it is an exciting journey.

Thank you for being engaged in the journey. I trust God leads us to be who we are and see what we have for the sake of doing what matters to God.

Grace Quilters for Lutheran World Relief

Monday mornings from 9:00 a.m. to 11:30 a.m. Join a lively group of people and assemble amazing tie quilts for Lutheran World Relief organization. These quilts are delivered around the world to areas most in need of a little comfort. Please feel free to stop by check out the activity. Coffee break and joke time is 10:00 a.m.; another opportunity in fellowship with one another. No experience is necessary!

A little over two months ago, I had recently finished my last classes needed to officially graduate from Xavier University. I had closed one chapter of my life and was preparing to begin a new one. Little did I know what this new chapter would have in store for me. I was happy to be finished with college and confidently step into a bright, yet unknown future.

Being a Lutheran Volunteer Corps volunteer has been a huge desire of mine for several reasons. It would give me a chance to challenge myself in ways that I knew could help me grow as a person. I would get the opportunity to serve and help people in a new environment. I would also get the chance to worship from a different faith perspective than my own or one with which I was familiar.

Being at Grace has permitted me the chance to speak with other groups who are working in the community. I hope to be able to ally myself and Grace with these efforts to improve the community. I have already had conversations with Stephen Stout of Helping Hands, Christian Gray of InCommon, and Heidi Sampson of The Beautiful Gate regarding their efforts. I work with Families in Action to aid in watching children of parents participating in Zumba classes. I have begun teaching chess to youth interested in learning how to play. I also get to assist during the ESL (English Second Language) classes on Saturdays with helping Hispanics improve on their English skills (I feel I have learned more about the rules of English than anything).

What does this church need to thrive and continue to build strong ties with the community in which it resides? This is what I feel my job challenges me to figure out. The warm, welcoming nature of the people at Grace has help me immensely get acclimated to my role and to being relocated in Omaha. I enjoy each day at my job and feel blessed to have an opportunity to work with such dedicated people. Let's continue to fellowship and work together to improve this church body and its surrounding community.

What is a CROP Walk?

CROP Walks raise money for local hunger fighting agencies as well as the international relief and development efforts of Church World Service.

Founded in 1946, Church World Service is the relief, development, and refugee assistance ministry of 35 Protestant, Orthodox, and Anglican denominations in the United States. Working in partnership with indigenous organizations in more than 80 countries, CWS works worldwide to meet human needs and foster self-reliance.

Hungry people in developing countries typically walk as much as six miles a day to get food, water and fuel, and to take their goods to market. We walk in solidarity with their struggle for existence. We walk because we want to end hunger – one step at a time.

Last year, CROP walkers raised over \$6,905 for the Siena/Francis House, the Open Door Mission, and the Stephen Center. This year:

- 25% of our funds raised will help these same local programs, and
- 75% of our donations will assist people worldwide through Church World Service programs.

This year CROP is also collecting mittens, hats and scarves for the teens on the streets of Omaha through the Y.E.S. (Youth Emergency Services) Organization.

This year marks the 32nd Omaha Crop Walk. You can help make a difference in the lives of people locally and worldwide by sponsoring a walker or walking and getting sponsors. Please see Malachi to secure a walker donation envelope and begin securing pledges for the Omaha Walk on Sunday, October 12. As a sponsor, look for the donation envelopes that are placed on the back table in the sanctuary.

The walk begins 1:00 p.m. at the new location – Luther Memorial Church, at the corner of 61st and Western. Walkers may choose from 1, 2.5 or 5 mile routes.

Stewardship Humor

An imaginative inventor has designed a new offering plate for churches. The ingenious invention receives gifts of a dollar or more on a plush cushion with silent graciousness. But when half-dollars are dropped in, it rings a bell; when quarters are given, it blows a whistle; when dimes are slipped in, it fires a shot. But when someone refuses to give, it takes their picture.
